

Kingston Elementary
H1N1 Vaccine Clinic Schedule
Thursday, November 5, 2009

Although your presence is not required at the vaccine clinic, should you decide to come to school you are asked to arrive prior to your child's grade level scheduled time (see below). Parents will be asked to wait in the science lab, where coffee along with a variety of goodies will be available, until their child's class is called to receive their vaccine.

Please be patient as this is a new endeavor for all of us!

Time	Grade
8:30-8:40	Preschool AM
8:40-9:25	5 th grade
